Combining an extraordinary shake-like design with superior protection makes it a time-tested favorite.

Cambridge shingles are engineered to offer customers more protection and peace of mind with a large, heavy and durable shingle.

Constructed with two layers of heavyweight fiberglass mat, more asphalt and less fillers, these shingles set the standard by offering a Limited 30 Year Warranty, superior tear strength and resistance to high winds.

Cambridge shingles are selected by consumers who demand the best in terms of quality, durability and value.

¹See Limited Warranty at Armorooof.com for complete terms, conditions, restrictions, and application requirements. Shingles must be applied in accordance with application instructions and local building code requirements. ²High Wind Application is required.
